We Care for the Elderly

Helping Hand is a registered HK charity organization that has provided housing and care to the elderly in the community since 1978. We offer a wide range of services to meet the needs of senior citizens. We currently operate **3 Care & Attention Homes** caring for the frail and elderly suffering from dementia or other illnesses, as well as **3 Self-care Homes** where the elderly are living in a community supporting each other. In our **Integrated Home in Zhaoqing**, Guangdong Province, HK elderly can choose to live and receive full nursing care, rehabilitation and support. Our unique **Holiday Center**, open to all HK residents, offers recreational and educational services in beautiful surrounding overlooking Tolo Harbour, giving a much-needed break from everyday life to the elderly and their caregivers. We also operate a **Day Care Unit** and run a comprehensive **outreach program** in the community.

To Support All Those Services We Need Your Help

This year, in addition to the delicious walnut cookies, **physical gift vouchers** and **electronic vouchers** are being offered for the first time. Each voucher can be redeemed for **two oval-shaped egg tarts, or coconut tarts (or one of each), from St Honore Cake Shop.**

The proceeds raised go directly towards covering the operational expenses of our homes, including the cost of facilities and services. It will also be utilised to plan different activities for the residents, providing them the opportunity to live more contented, enjoyable and meaningful lives.
